FROM THE ADMINISTRATOR

I would like to introduce our new Director of Nursing Services, Dr. Rebecca Hopwood. She comes to us with a well rounded background and a wealth of knowledge to share with our amazing staff. Rebecca has worked in long term care, acute care and also Hospice with various roles in each setting. She has her Doctorate in Health Care Administration and teaches courses at Frostburg State University from time to time. We welcome Rebecca as the leader of our already solid nursing administration team and hope that she can share her experiences in an effort to maintain our high standards of care. Please stop and introduce yourself and offer her a warm welcome as one of the newest members of the Lions Center Family.

*Troy A. Raines,
Administrator*
